## Spa Protocol

*Updated 17<sup>th</sup> February, 2021*

Our Hotel Manager, Sandrine Hugonot, and her team have introduced new necessary measures in order to welcome you in the most safely way. All our spa-therapist are trained to the new sanitary rules and are wearing a mask. Before coming to the spa, we kindly ask you to file in the health questionnaire, in attached file.

### Spa access :

Following the government restrictions, the spa facilities are closed for an unlimited time. Treatments are still available on request. Facial cares are inaccessible following the modification of the decree dated February 12, 2021.

### Your treatments :

**As an hotel guest**, you will find a bathrobe, a towel and a pair of flip-flops in your room. Please come to the spa already dressed with your swim suit, the bathrobe and the flip-flops and with the towel provided.

**For outside guest**, we kindly ask you to come with the minimum belongings needed. Cloakrooms are available on request. The use of a surgical mask is mandatory. In case you do not have a mask, you can purchase one for 1€. The hostess will take your frontal temperature at the entrance and will ask you to take a shower, before entering the treatment room.

We increased the cleaning and we are sanitizing all the treatment rooms between each guest.

All the treatment procedures have been updated with the new sanitary rules.

In order to respect you, our Spa therapist will wear a mask and gloves for every treatment.

**Important** : In case of any symptoms that might suggest a Covid-19 infection, we will ask you to cancel your appointment and to not present yourself at the hotel.
